# SEG Wall Art

**Step 1:** Insert corner connectors into frame pieces.

**Step 2:** Tighten the corner connectors with an Allen key.

Step 3: Slide the support bars into the frame channels with the open side facing up.
Step 4: Insert the remaining corner connectors and tighten with an Allen key.
Step 5: Pre-drill holes into the wall and install the appropriate wall anchors.

Step 6: Lay the SEG graphic over the frame and press the edges into the channels.

Step 7: Start at the corners and work toward the center of each side.

Step 8: Securely mount your SEG frame onto the wall.
