SQUARE SIGNS

SNAP HANGING POSTERS INSTALLATION GUIDE

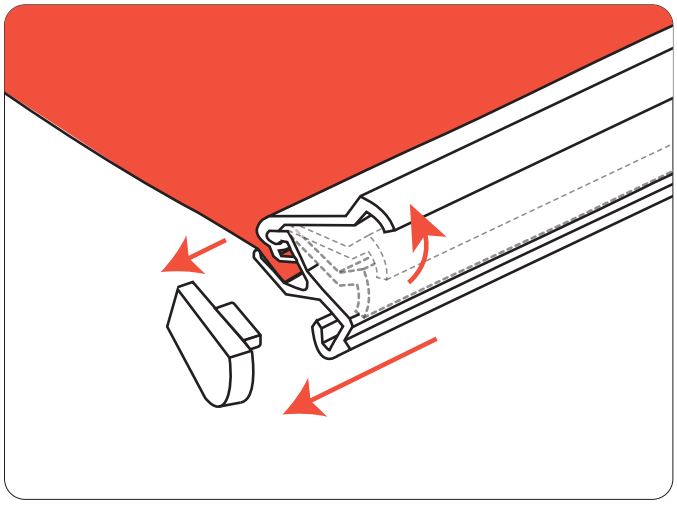

Step 1: Unroll the product.

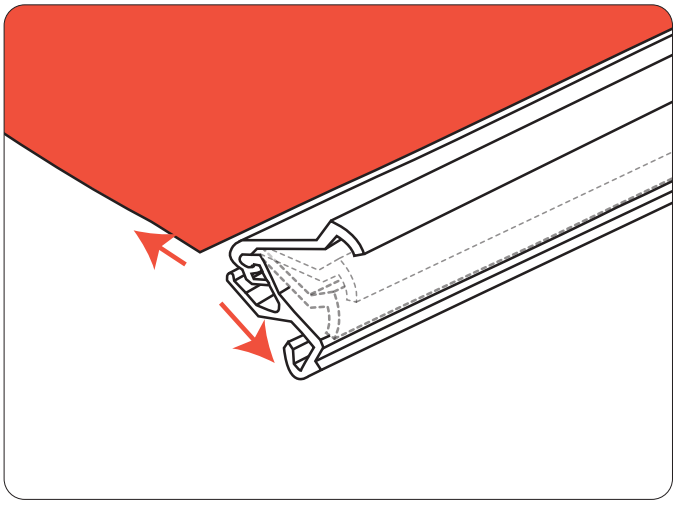

Step 2: Hang it from the wall, ceiling, or window.

GRAPHICS REPLACEMENT GUIDE:

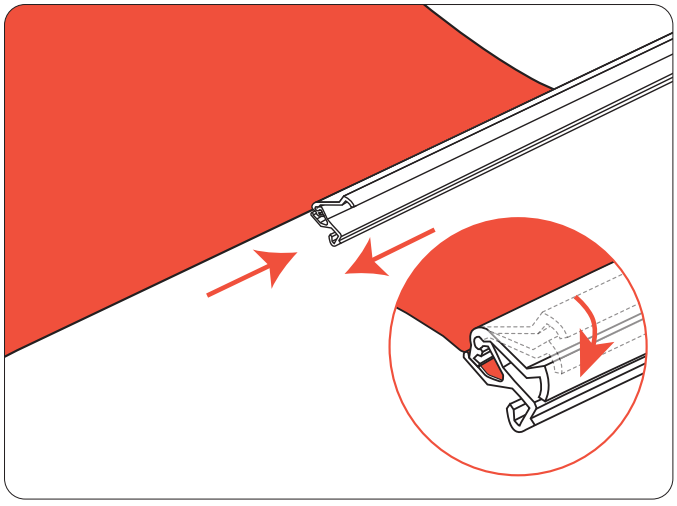

* Make sure the size of the new banner is compatible with the hardware you already own.

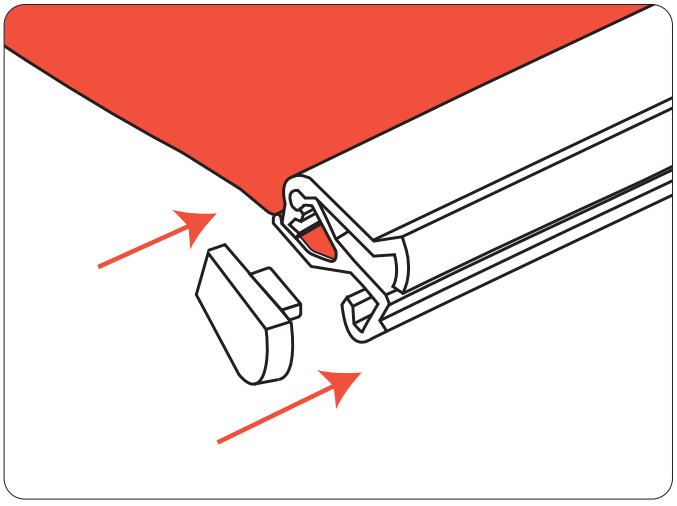

Step 1: Remove the end caps from the snap railings on your product and flip the railing open.

Step 2: Take the existing banner out of the railings.

Step 3: Insert the edges of the new banner into the top and bottom railings, then snap them closed.

Step 4: Reattach the end caps to the railings on your product.
