SQUARE SIGNS

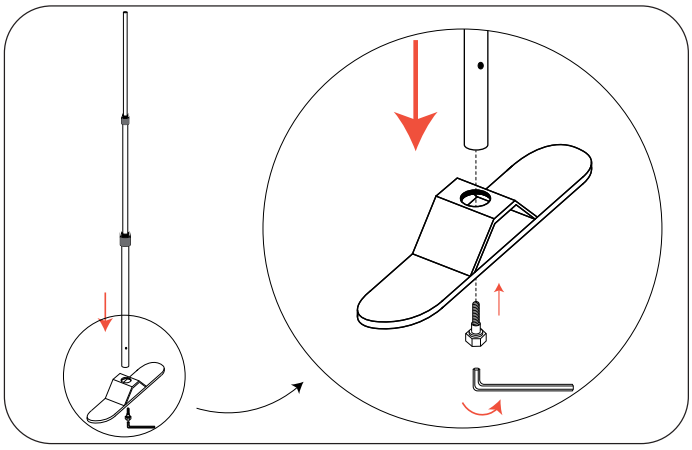

# Step and Repeat Banner Installation Guide

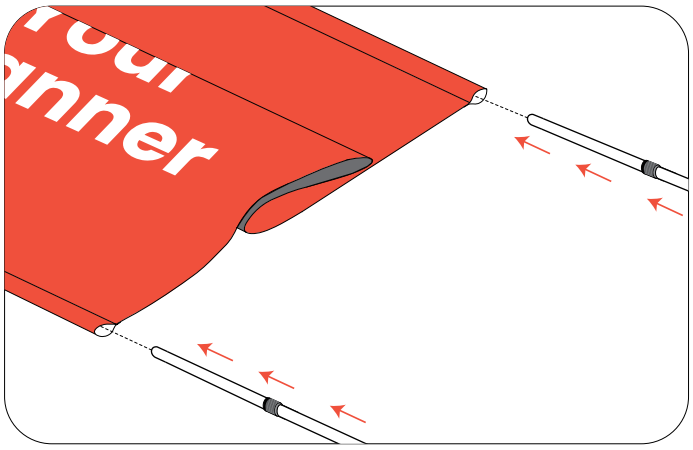

**Step 1.1:** Join the parts of the two horizontal poles.
**Step 1.2:** Extend the telescopic parts to the size of your banner.

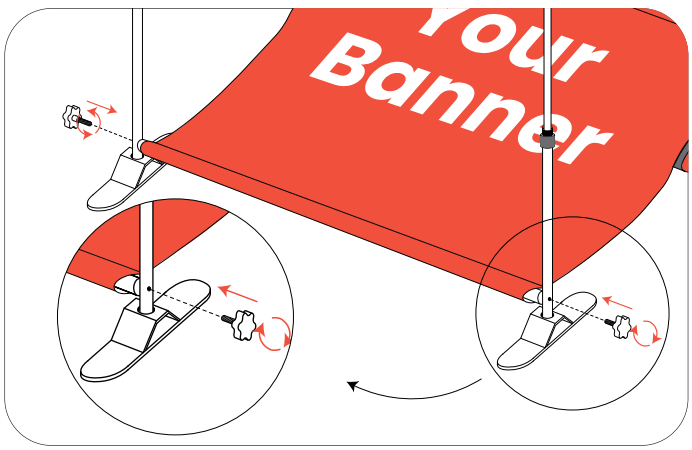

**Step 2:** Extend the two vertical poles to their maximum height and tighten them.

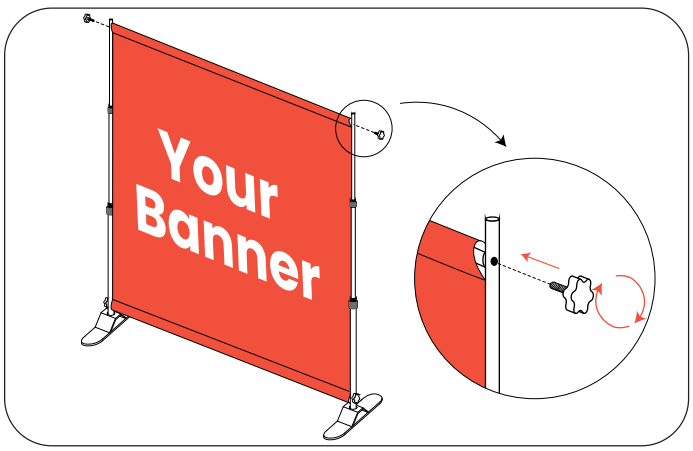

**Step 3:** Insert the vertical poles into the bases of the stand and screw them into place.

**Step 4:** Insert the horizontal poles into the pole pockets at the top and bottom of your banner.

**Step 5:** Attach the bottom horizontal pole to the bottom of the vertical poles and screw it in place.

**Step 6:** Attach the top horizontal pole to the top of the vertical poles and screw it in place.
